

ORCHESTRA STUDY GUIDE

Circle of Fifths

You should be able to:

- reproduce the circle of fifths
- write and identify scales
- identify given key signatures

Time Signatures

Identify whether the time signature given is:

- simple or compound
- duple, triple, or quadruple
- what note gets the beat
- the subdivision of the note which gets the beat

Counting

There will only be 4/4 and slow 6/8 measures (no fast 6/8 measures)

What One Note?

*refer to class work—choose the *one* note that completes the given measure
